### **Independent Auditor's Report**

To the Members of

Western Valley Regional Service Commission

We have audited the accompanying financial statements of Western Valley Regional Service Commission, which comprise the statement of financial position as at December 31, 2017, and the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion** 

In our opinion, the financial statements present fairly, in all material respects, the financial position of Western Valley Regional Service Commission as at December 31, 2017, and the results of its operations, the changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### NOTES TO FINANCIAL STATEMENTS

### **DECEMBER 31, 2017**

### 1. Description of the organization

On January 1st, 2013, Regional Service Commission 12 was established as a body corporate, pursuant to the provisions of the Regional Service Delivery Act, Statutes of New Brunswick 2012, Chapter 37, and the Regulations made there under. The Commission is mandated to provide or facilitate the services of regional planning and solid waste to all its members, and a land use planning service to its members that are local service districts. It is also mandated to provide a forum in order to initiate cooperative action amongst its members.

### 2. Basis of Presentation and Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

### (a) Segmented information

The Commission provides a wide range of services to its members. For management reporting purposes, the Commission's operations and activities are organized and reported by function. This presentation was created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. Commission services are provided by departments as follows:

### Solid Waste Services

The Commission provides solid waste management services including education and promotion of recycling and composting programs to its members.

### Local Planning Services

This department of the Commission prepares, administers and enforces rural plans and zoning, subdivision approvals, and building and development inspections for its members.

### Regional and Cooperative Planning Services

The Commission is responsible for the development of a regional plan, facilitating collaboration on regional issues such as making regional planning decisions on the location of community-based infrastructure or land use, accessing or applying for provincial and federal funding and working together to seek new investments within the region.

### Regional Recreation Services (Other Shared Services)

The development, planning and financing of regional initiative, including common or regional sport, recreational and cultural facilities. The recreation division of WVRSC includes the implementation of the Regional Recreation Master Plan adopted by WVRSC April 12, 2016.

### Corporate Services

This department is responsible for the management and administration of the Commission.

### NOTES TO FINANCIAL STATEMENTS

### **DECEMBER 31, 2017**

### 2. Basis of Presentation and Significant Accounting Policies (continued)

### (b) Net assets

The Commission's financial statements are presented so as to highlight net assets as the measurement of financial position. The net assets of the Commission are determined by its financial assets less its liabilities. Net assets are comprised of two components, non-financial assets and accumulated surplus.

### (c) Reporting entity

The financial statements reflect the assets, liabilities, revenues, expenditures and net assets and cash flows of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the Commission and which are owned or controlled by the Commission.

### (d) Budget

The budget figures contained in these financial statements were approved by the Board of Directors on October 18, 2016.

### (e) Revenue recognition

Operating and recycling fees are recorded when the waste is delivered to either the landfill facility and/or to the transfer station and when collection is reasonably assured.

Landfill fees are recorded as revenue and offset by a corresponding expenditure to reflect the overall cost to the Commission for waste.

Other revenue is recorded when it is earned, and collection is reasonably assured.

### (f) Expenditure recognition

Expenditures are recorded on an accrual basis. Outstanding commitments for goods and services relating to the current year are accrued at the statement of financial position date.

### (g) Financial instruments

The Commission's financial instruments consist of cash, accounts receivable, term deposits, accounts payable and accrued liabilities. Unless otherwise noted, it is the Board's opinion that the Commission is not exposed to any significant interest or credit risk arising from these financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

### NOTES TO FINANCIAL STATEMENTS

### **DECEMBER 31, 2017**

### 2. Basis of Presentation and Significant Accounting Policies (continued)

### (h) Use of estimates

The preparation of the financial statements in conformity with public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### (i) Reserve funds

Certain amounts, as approved by Commission Board, are set aside in reserve funds for future operating and capital purposes. Transfers to and from reserve funds are recorded as an adjustment within accumulated surplus. A schedule of reserves is included as supplementary information to show the reserve fund balances.

### (i) Cash

Cash and cash equivalents include petty cash.

### (k) Investments

Term deposits are recorded at cost plus accrued interest.

### (l) Tangible capital assets

Tangible capital assets (TCAs) are items that can be physically touched, will be useful for a period greater than one year and will be used by the Commission on a regular basis.

Effective January 1, 2013, the Commission adopted the provisions of PSA Section 3150 Tangible Capital Assets. Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Capital assets in excess of the capitalization threshold of \$2,000 are recorded as tangible capital assets while expenditures below the threshold amount are expensed in the year acquired. Amortization begins in the year of acquisition.

Amortization is provided on the straight-line basis over the estimated useful life of the asset as follows:

Recycling equipment
Office equipment

10 years Straight line 5-20 years Straight line

### NOTES TO FINANCIAL STATEMENTS

### **DECEMBER 31, 2017**

### 2. Basis of Presentation and Significant Accounting Policies (continued)

### (m) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not intended for sale in the ordinary course of operations. Non-financial assets typically include tangible capital assets, prepaid expenses and inventories of supplies.

### 7. Accrued sick time

The Commission provides sick leave that accumulates at 1.25 days per calendar month for full-time, permanent employees. These employees can accumulate a maximum of 150 sick days.

The sick leave is an unfunded benefit for which no reserve has been made. As such, there are no applicable assets. Benefits are paid out of general revenue as they come due.

The unfunded liability was approximately \$39,400 at year end.

### NOTES TO FINANCIAL STATEMENTS

### **DECEMBER 31, 2017**

### 8. Commitments

- 1. As a result of a Ministerial Order dated March 13, 2014, the Commission acquired a contract with J.S. Bellis Ltd., whereby J.S. Bellis Ltd. will provide solid waste management services, including the disposal of solid waste originating in the Commission, and to enter into written agreements related to solid waste. This contract came into effect on January 1, 2015 and will expire on December 31, 2021.
- 2. An agreement was made on July 1, 2013 for the collection and processing services of dry recyclable materials between the Commission and J.S.Bellis Ltd. This contract expires on June 30, 2018.
- 3. A solid waste disposal agreement between Southwest Regional Service Commission, Northwest Regional Service Commission and Western Valley Regional Service Commission expires December 31, 2027. This agreement includes a provision for the delivery of waste to be split on a 50/50 basis plus or minus 5% between the landfills operated by Southwest Regional Service Commission and Northwest Regional Service Commission.
- 4. The Commission has entered into agreements to provide local planning services to various communities with varying expiration dates.
- 5. The Commission rents office space under an operating lease agreement covering the period October 1, 2016 to September 30, 2026. The lease commitment in aggregate is \$470,330. The minimum annual lease payments are as follows:
